SURE: Secured Unified Research Environment

Application form

Project workspace

Project Workspace Application

Part A: Project information

Full project title	
Simplified project title	

Authorised delegate	
Title and Full Name	
Position	
Organisation (include Department and School/Faculty if applicable)	
Postal address	
Email	
Phone number	Mobile number

List researchers that are participating in this study: Please include researchers that will not be accessing data within SURE.	
Study Datasets: Please list the names of any datasets from data providers that will be stored in the project workspace.	
Collaborative Research Partners: Please list other research organisations collaborating on this study.	
Please provide a list of Funder(s): Please include funders by organisation, division and their funding values.	
Estimated dates of SURE Project Workspace access (Indicative only)	From :
	To:
Access Period (in years &/or months)	
Data retention period following closure of Project Workspace	
Attachments	
☐ Ethics application form/s and approval	
☐ Data custodian approval/s	

Part B: Investigator information – Researcher virtual computing environment establishment

Investigator 1	
Title and Full Name	
Position *	
For Early Career Researchers: (i.e. Honours student, Masters student, PhD candidate, Biostatistics Trainee Office), Emerging Researchers not yet five years out, Postdoctoral Fellow)	**Supervisor:** **Area of study:** **Funding source:** **Type of post:**
Organisation (include Department and School/Faculty if applicable) *	
Postal address *	
Email *	
Phone number *	
Mobile number *	

Position on research study	
SURE user type (standard, supervisory, power)	
Existing SURE user	Is the investigator registered as part of another SURE project? ☐ Yes No
Statistical analysis software requirements: Optional software available is listed at http://www.saxinstitute.org.au/our-work/sure/frequently-asked-questions/	
Other information	

* For authorised delegate details, type 'as above'.

Investigator 2	
Title and Full Name	
Position *	
For Early Career Researchers: (i.e. Honours student, Masters student, PhD candidate, Biostatistics Trainee Office), Emerging Researchers not yet five years out, Postdoctoral Fellow)	Supervisor: Area of study: Funding source: Type of post:
Organisation (include Department and School/Faculty if applicable) *	
Postal address *	
Email *	
Phone number *	
Mobile number *	

Position on research study	
SURE user type (standard, supervisory, power)	
Existing SURE user	Is the investigator registered as part of another SURE project? ☐ Yes No
Statistical analysis software requirements: Optional software available is listed at http://www.saxinstitute.org.au/our-work/sure/frequently-asked-questions/	
Other information	

Investigator 3	
Title and Full Name	
Position *	
For Early Career Researchers: (i.e. Honours student, Masters student, PhD candidate, Biostatistics Trainee Office), Emerging Researchers not yet five years out, Postdoctoral Fellow)	Supervisor: **Area of study:** **Funding source:** **Type of post:**
Organisation (include Department and School/Faculty if applicable) *	
Postal address *	
Email *	
Phone number *	
Mobile number *	

Position on research study	
SURE user type (standard, supervisory, power)	
Existing SURE user	Is the investigator registered as part of another SURE project? ☐ Yes ☐ No
Statistical analysis software requirements: Optional software available is listed at http://www.saxinstitute.org.au/our-work/sure/frequently-asked-questions/	
Other information	

Investigator 4	
Title and Full Name	
Position *	
For Early Career Researchers: (i.e. Honours student, Masters student, PhD candidate, Biostatistics Trainee Office), Emerging Researchers not yet five years out, Postdoctoral Fellow)	Supervisor: Area of study: Funding source: Type of post:
Organisation (include Department and School/Faculty if applicable) *	
Postal address *	
Email *	
Phone number *	
Mobile number *
